CREDIBILITY • INTEGRITY • ACHIEVEMENT

COA ACCREDITED!

Indiana Developmental Training Center (IDTC) and IDTC of Lafayette are proud to announce that we have been accredited by the Council on Accreditation (COA)!

COA maintains the highest level of standards and quality improvement. COA has identified that IDTC and IDTC of Lafayette have set high performance standards for themselves and have made a commitment to their constituents to deliver the highest quality services.

COA accreditation is an objective and reliable verification that provides confidence and support to IDTC and IDTC of Lafayette's service recipients, staff and community partners. The COA accreditation process involved a detailed review and analysis of both our administrative operations and our service delivery practices. All are "measured" against national standards of best practice. These standards emphasize services that are accessible, appropriate, culturally responsive, evidence based, and outcomes-oriented. In addition, they confirm that the services are provided by a skilled and supported workforce and that all individuals are treated with dignity and respect.

While many areas were enhanced through the COA process, some key features that ensure that we are always providing the best services and care include:

- Performance Quality Improvement
- Best Practices for Behavior Supports
- Enhanced Training & Supervision of Employees
- Addition of a Community Advisory Board

IDTC & IDTC of Lafayette maintain a commitment to always do what is in the best interest of people that we serve!
